

Jersey Long Distance Swimming Club, Honor Organization, Great Britain, 2015

Jersey Long Distance Swimming Club (JLDSC) is a pool, educational and open water swimming club in Jersey Island in the Channel Islands that organizes, certifies and governs open water swims in and around Jersey. It is affiliated to the Amateur Swimming Association, SER and other IMSHOF Honor Organizations British Long Distance Swimming Association and Channel Swimming & Piloting Federation. The JLDSC proudly names more English Channel solo swimmer per head of population than any other global location. Additionally, JLDSC run two popular solo swims: Around Jersey and Jersey to France which draw many international marathoners.
